## ABOUT US

Allied Senior Living is a local family owned business. For over 20 years we have been serving our community as RFCE licensed experts. Our California family roots go back more than 6 generations! Proving we know the very best our community has to offer.

Our focus is finding complete and lasting solutions for those in need. We started this company after sponsoring a World War II veteran named Tommy. He was in serious financial and physical need. We knew we had the connections that could help him. We took Tommy under our wing and provided him with much needed assistance at no charge. It was truly a rewarding experience being able to give back to someone who gave so much for our freedom. Our experience with Tommy motivated us to continue serving our community and provide a positive impact for seniors.

## WHAT WE DO

We offer assisted living placement to seniors. It is a free advocacy service to them & their families as they consider assisted living and home care. It can be overwhelming when faced with the many options for a loved one. We've researched and identified the best homes, agencies & facilities in the area. We look at their state standing, staff quality, peer reviews and reputation. All you have to do is tell us your budget, healthcare needs, location and residential preferences... we narrow results down according to your specific needs, identify qualifying alternative benefits, set up tours, and offer professional advice before, during, and even after move in.

Assisted living is far more than just finding a place. We've helped so many seniors resolve challenges in a professional and resourceful way. Adversarial relationships with care staff can lead to unfavorable outcomes. As mediators we eliminate that risk for you. Let us be your longterm ally and advocate.

MORE THAN JUST  
FINDING A PLACE,  
IT'S FINDING  
SOLUTIONS. IT'S  
FINDING YOUR  
HOME.

## IT'S FREE! AND:

Yes it's true! The services we provide are completely free! We truly care about giving back to our community. We want nothing more than to provide your beloved seniors with longterm care solutions.

AND...We want to do more! We are currently offering up to **\$1000** in move-in rebates for our clients.
